Professional Profile

Doctor of Nursing Practice candidate in Nursing Organizational Leadership and dual board-certified Family Nurse Practitioner and Women's Health Nurse Practitioner with over a decade of advanced clinical experience in primary care, hematology, oncology, and women's health. Associate Professor of Nursing and Program Coordinator of the DNP/FNP Program at the University of Mary, providing strategic academic leadership, faculty supervision, curriculum oversight, and student progression management within a competency-based graduate nursing program.

Recipient of the 2025 American Association of Nurse Practitioners North Dakota State Award for Outstanding Contributions to advanced practice nursing, education, and professional leadership. Dedicated to advancing nurse practitioner education through ethical formation, systems leadership, and evidence-based innovation.

Academic Appointments

University of Mary – Bismarck, ND

Assistant Professor of Nursing | August 2023 – Present

DNP/FNP Program Coordinator | May 2025 – Present

Academic Leadership & Administrative Responsibilities

- Provide strategic leadership and direct operational oversight of the DNP/FNP program.
- Supervise and mentor:
 - 1 Part-Time FNP Faculty
 - 1 Part-Time FNP Clinical Competency Coordinator
 - 1 Full-Time Graduate Clinical Operations Specialist
 - 2 Adjunct Faculty
- Lead faculty collaboration, workload distribution, and instructional consistency.
- Oversee curriculum alignment with AACN Essentials and NONPF Core Competencies.
- Guide program-level quality improvement and continuous curriculum evaluation.
- Contribute in enrollment planning and workforce development strategies.

- Serve as Project Champion for DNP project (anticipated January 2026 – April 2027).

Teaching Responsibilities

- Teach 16.5 graduate credit hours annually across fall, spring, and summer semesters.
- Deliver graduate-level instruction to FNP students, emphasizing advanced clinical reasoning, competency-based assessment, and leadership development.
- Implement competency- and case-based learning strategies to promote clinical synthesis and diagnostic reasoning.
- Develop and refine assessments aligned with national advanced nursing standards.

Student Advising & Mentorship

- Serve as an academic advisor for approximately 65 FNP students annually.
- Provide individualized academic progression planning and professional mentorship.
- Design and implement individualized remediation plans when indicated to promote student success.
- Facilitate professional identity formation and transition into advanced practice roles.

Scholarly Activity

Doctor of Nursing Practice Project (Anticipated April 2026)

Integrating Telehealth Education into an FNP Program: A Curriculum Grounded in Evidence-Based Practice

- Designed and implemented a competency-based telehealth education framework aligned with national advanced nursing standards.
- Developed faculty training initiatives to enhance interrater reliability and evaluation rigor.
- Established measurable outcome metrics to evaluate faculty satisfaction and student competency.
- Advanced ethical and equitable virtual care delivery within graduate nursing education.

- Dissemination of project outcomes planned following completion.
